- First Announcement -

It is our great pleasure to invite you to attend the **12th International Conference on Colloid and Surface Chemistry, ICCSC'2016**, on **May 16-18, 2016**.

The Conference on Colloid and Surface Chemistry started 33 years ago in Bucharest. During the years, the conference was hosted by Cluj-Napoca, Timișoara and Galați. In 2013, the conference was hosted by the „Petru Poni” Institute of Macromolecular Chemistry, Iași, an institute of excellence of the Romanian Academy.

This year the conference is organized again in Iasi by the „Petru Poni” Institute of Macromolecular Chemistry, on 16-18 May.

The conference will offer the opportunity to present the newest scientific achievements, encouraging a productive exchange of ideas and opinions. Active participation from academy and industry is encouraged. We hope that the conference will be the starting point for new and fruitful collaborations.

We are waiting to welcome you at the conference and, perhaps, a few days before or after it as well.
