ACADEMIC DAYS OF IAȘI

The 27th Symposium
**PROGRESSES IN THE SCIENCE OF ORGANIC
AND MACROMOLECULAR COMPOUNDS**

October 2-4, 2019
IAȘI - ROMANIA

Remember **MACRO Iași 2017**

First Announcement

The Symposium **PROGRESSES IN THE SCIENCE OF ORGANIC AND MACROMOLECULAR COMPOUNDS** is a biennial event organized by „Petru Poni” Institute of Macromolecular Chemistry Iași, that reaches this year its 27th edition. The Symposium is organized during Academic Days of Iași and provides the opportunity to join participants from research, education, industry or business to present and share their research and ideas. The key intention of **MACRO Iași 2019** is to favor the exchanges between participants, from the world of polymer science or related to it, in order to foster and extend research collaboration.

The 27th edition of **MACRO Iași 2019** will be held on October 2-4, 2019, in Iași, Romania, at „Petru Poni” Institute of Macromolecular Chemistry.

TOPICS

- The synthesis of organic compounds, polymers and polymeric materials
- The physics of polymers. Rheology and polymer characterization methods
- Biopolymers, smart polymeric (bio)materials

SCIENTIFIC PROGRAMME

The scientific programme contains original results of participants presented as:

- Lectures (30 minutes)
- Oral presentations (15 minute)
- Posters (Size A0, landscape)

The time allotted for presentations includes also the questions and discussions.

The languages of the symposium are Romanian and English.

The Scientific Committee will review the abstracts of the presentations. It reserves the right to accept or to reject the presentation and to decide on the type of presentation (oral presentation or poster).

Registration and one-page abstract upload can be done on the website of the symposium:
